

**Education**

B.S. Civil Engineering, 2016
Norwich University
Northfield, Vermont

Certifications

Engineer in Training (EIT), 2016
State of Vermont
No. 017.0118701

Professional Affiliations

American Public Works Association,
Monterey Bay Area Chapter

Awards

2018 Young Professional of the Year,
American Public Works Association,
Monterey Bay Chapter

Angela Hershberger, EIT

Engineer III

Professional Qualifications

Ms. Hershberger joined MME when she graduated with an accredited degree from Norwich University in 2016. Since she started, Angela has collaborated with colleagues and consultants to resolve engineering problems with resourceful solutions. Making long-lasting cooperative relationships with agencies and other designers is one of her most exceptional skills. Angela enjoys the challenge of problem solving in her work, and is most enthusiastic to support and improve local communities.

Angela has gained valued experience with plan drafting, including grading, drainage, and erosion control plans. Angela's design experience includes underground utilities, site grading, ADA accessible routes, slope stabilization and storm water collection systems. Included in her abilities are proficient technical writing skills that allow for detailed and comprehensive engineering reports.

Angela is in the process of acquiring her Engineering License in California, having passed both the FE exam and the national exam with a concentration in Water Resources.

The following is a list of highlighted projects from Angela's design portfolio:

- City of Scotts Valley –
Scotts Valley Dr. / Mt. Hermon Rd. Intersection Improvements
- City of Redwood City –
Magical Bridge Accessible Playground
- CSU Monterey Bay –
Inter-Garrison and 8th Ave Roundabout
- Santa Cruz Museum of Art and History –
Abbott Square Courtyard
- Central Water District –
Valencia Road Water Main Replacement
