

## Orchard City Banquet Hall Campbell, California

Civil Engineering

### Client Reference:

Steve Parker  
Beverly Prior Architects  
417 Montgomery, 8th Floor  
San Francisco, CA 94104  
(415) 777 9422

**Budget:** \$2 million

Mesiti-Miller Engineering was selected to provide civil engineering for site improvements, grading, drainage, erosion control plans and specifications for this community building addition and remodel.

MME coordinated the site utilities to match with building plumbing, roof drainage and foundation plans prepared by the Mechanical, Structural, and Architectural teams.

We evaluated pervious pavements and light-colored paving materials to reduce the urban heat-island effect to assist the City of Campbell to achieve LEED Gold Certification
