SSA Landscape Architects, Inc.
303 Potrero Street, Suite 40-C
Santa Cruz, CA 95060
(831) 459-0455

Budget: \$500,000

Mesiti-Miller Engineering provided the structural engineering for a series of arched cantilevered shade structures designed by SSA Landscape Architects. The structures in this city-owned neighborhood park are arranged in a pleasing curvilinear fashion. By using an elegantly curved bench as part of the foundation system, we were able to provide geometric stability for these elements in an aesthetically pleasing manner at minimum cost to the City of Mountain View.

1998 Award of Merit from the American Public Works Association
1999 First Place Award for Public Works Projects from the Northern California Turf Grass Council
