

**Education**

B.S. Environmental Resources
Engineering, 2018
Humboldt State University

Certifications

Engineer in Training (EIT), 2019
State of California

Professional Affiliations

Engineers without Borders
American Society of Civil Engineers

Jeremy Potter, EIT

Engineer II

Professional Qualifications

Jeremy joined MME in 2018 after receiving his Engineering degree from Humboldt State University. While there, his primary technical focus was watershed hydrology, storm drainage, and water distribution.

He has practical experience with hydrologic and hydraulic modeling using a variety of software including EPANet, HEC-RAS, StormCAD, win-TR-55, and HydroCAD. Other software proficiencies include AutoCAD Civil 3D specifically working with 3D surfaces and grading, site plans, details, and profiles.

Jeremy has extensive experience in the construction and industrial field as a construction/iron worker, welder, plumber, stationary engineer and other trades that are advantageous to his insight in planning and design. This considerable hands-on experience enables him to conceptualize the application of design and mitigate potential problems before construction.
